# Din System the studio

There's a new recording studio in Spokane. Combining the best engineers with top of the line equipment.

Din System engineers are ready to record your project with a very impressive live, 48 track digital system.

The large, custom built Iso-booth has been designed to meet the needs of demanding musicians.

Very relaxed and comfortable. Din System studio is geared up for the professional.

**Din:**  
the act of making a noisy disturbance  
**System:**  
an apparatus including a microphone and loudspeakers used for broadcasting
