Re: *Eugster v. City of Spokane, et al.* – Cause No. 00-2-04265-0

Dear Laurie:

A copy of a recent communication from Steve Eugster is attached. I am forwarding this to you because if you have not already made other arrangements, this might be a good date and time for you to note your motions and to present your version of a proposed order from the November 9, 2000 hearing on the defendant's stay request.

If I can be of any assistance, please let me know.

Sincerely,

HENDRICKS & LEWIS

O. Yale Lewis, Jr.
