Dear Mr. Lewis:

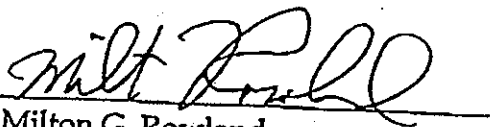

This is to confirm our telephone conversation of this morning in which you indicated that you knew of no objection which would preclude the release of correspondence between yourself, the Mayor's office and Mr. Connelly regarding the "fee dispute" between us. A few minutes after that conversation had ended, you called back to request that we fax you copies of everything we were going to release to the press, before such documents were released if possible.

In that same (second) conversation, you asked me to forward you copies of the motion documents filed by Ms. Siddoway last week. You advised that you would not charge the City for your time involved in reading them. They are being forwarded under separate cover.

If I have gotten any of the foregoing wrong, please advise.

Very truly yours,

MICHAEL F. CONNELLY
Interim City Attorney
